

GETTING STARTED

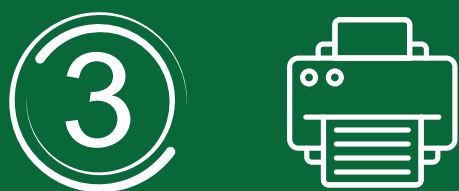

How to promote recycling points in the workplace

Visit the Downloads page at www.titansky.co.uk/Downloads

Select and download the instructional posters that match your waste streams

Print off the posters in A3 Large A4 Medium and A5 Small (A5 can be printed on self adhesive paper as bin labels)

Place posters on the wall above the bin / bins area. (Add a A5 sticky label to the bins if required)

Inform your staff where the recycling bins are and make them aware of the new informational posters
