

# Titan Sky: Waste Simplified.

WAREHOUSING AND DISTRIBUTION

## Maximise efficiency, Minimise waste costs.

Titan Sky is revolutionising the concept of waste recycling for your business, be it a 4-bay or 100-bay loading centre. Our structured approach encompasses modern technology, tried and tested processes and common sense, making the whole process simple, methodical and compliant.

Titan Sky will collect and recycle 100% of what you produce, be it cardboard, plastic, WEEE, batteries, delivery returns, leaking deliveries, general waste, chemicals and oils. Our ethos is to divert 100% from landfill and our approach is to utilise best available processes as and when they are created.

- **Underground interceptor tanks - emptied, recharged, cleaned, repaired, installed**
- **Storm drain cleaning, ACO channel emptying and repair, CCTV and site map preparation**
- **Waste oils and garage type waste from vehicle maintenance units**
- **Chemicals, anti-freeze, gas bottles, ammonia containers**
- **WEEE Waste**
- **Baled cardboard and baled plastics**
- **General Waste compactors**
- **Redundant and unwanted stock**
- **Delivery returns**
- **Obsolete stock from stored products / bankrupt stock**
- **POS/brochure destruction**

We can provide large scale compactors for general waste, balers for your cardboard or plastic.

Bespoke containers for your WEEE, fluorescent tubes, batteries, Vapes.

UN approved storage containers with lids for outdoor storage of damaged leaking chemicals.

*We will come and audit your whole site, might take us a few hours and we will ask questions and look everywhere.*

**We are compliant, ISO accredited and licensed with the Environment Agency.**

**We operate our own licensed site, we operate our own vehicles and we have our own equipment.**

**We do it the right way or we don't do it.**

Making more out of your waste, the right way, always.

**Reduce → Reuse → Recycling**
